

ANTI NEW YEAR'S RESOLUTIONS

SPEND LESS TIME WITH THE FAMILY

Refer to "Declutter" resolution

FINISH AN ENTIRE NETFLIX SERIES IN A DAY

Alongside an entire bowl of popcorn because the two come together to form the most beautiful of marriages.

TAKE THE PLUNGE, CUT THE LINE

That is, in the rare case that there is one. Politeness is so "last century" in Israel. Throwback to your frontsies-backsies elementary school days and butt your way to the front of that café line.

JOURNAL LESS

"Dear Diary, Mood: Apathetic." Skip the whole introductory 18-page letter—"FRONT AND BACK!" (Ross Geller)—in the inside cover of your new journal filled with empty promises to document your every thought at least thrice a day. It's the 21st century, just tweet it.

DOWNLOAD SNAPCHAT, INSTAGRAM, TWITTER, BUMBLE, GRUMBLE AND MAYBE TUMBLE

You're spending far too much time in reality these days.

GO AGAINST THE (VEGAN) GRAIN

While the hipsters don't know it yet, the meatless trend has become so mainstream, that it's actually "cooler" to dig into a big, fat, juicy slab-o-steak at M25 (30 Simtat Hacarmel, 03-5173086).

DECLUTTER

Take a cue from *The Life-Changing Magic of Tidying Up* and Kondo yourself of any pets and/or children cluttering your bedroom...if unsure, just ask yourself "does this two-year-old really spark joy in my heart?"

CALL YOUR MOM

She'll be so surprised you didn't reach out over social media that you'll never have to call her again. Mom points in the bank.

SMOKE MORE

Tel Aviv is a fast-paced city. Take a chill pill (literally) and catch up with your old pal Mary Jane.

FALL OUT OF LOVE

It's time to come to terms with that cynical self squinting behind rose-colored glasses. After all, "Love is blind[ing]."

CANCEL YOUR GYM MEMBERSHIP

It's not like you use it anyways. You can always invest in an electric bike if you want to pretend that you're exercising.

EAT LESS KALE

Stop lying to yourself, nobody likes the taste of sandpaper.

BE LESS PROMPT

As they say, "Early is on time, on time is late, and late is unacceptable." As they say in Israel, "Late is on time, on time is kind of lame, and early is out of the question."

DON'T CUT YOUR HAIR

TEST YOUR LIVER'S CAPACITY

That's why God gave us two...wait, did he?

GET SUNBURNT

Sunscreen is a conspiracy theory anyways, save your sheks and let the sun beat down on your pasty, ash(k)en(azi) skin. It only takes one third-degree full-body burn before that raw skin turns to tan.
